## Buy Your Easter Suit of Us

There are a good many reasons why you can buy our suits and be pleased with your purchase. We have one of the best show rooms in Vermont. We have one of the largest lines to select from in Vermont and an essential part of the whole purchase is the alteration room where every suit has its last finished touch before it leaves our store. These three advantages should appeal to every lady that would be correctly dressed. Our prices are as low as our class of garments can be sold and a successful business carried on. Just as soon as any merchant begins to lose money you begin to lose a good place to make purchases. If we haven't just your idea in a garment we can pretty quickly get it for you. Let us try.

### Ladies' Tailored Suits

This is the kind of weather that makes us all think of what we will want for spring and summer wear. If it is a ladies' tailored suit, we have surely got one of the best lines we have ever shown.

At \$12.50 we can show you an extra value in a suit of the latest and best style; is made of a good quality, all wool worsted and in all the season's best shades.

At \$15.00 to \$18.00 you will find a large range of suits in a number of different designs. These suits are made up in serges, worsteds, and mixed cloths.

In the better grades are a variety of popular models in suits that are a little different than the others; are made up of a finer material and have the best of linings and all are back-stayed, which gives them the finish and insures a good fit.

### Ladies' Separate Skirts

This season opens up as one of the best separate skirt seasons for two years. The skirt models are entirely different and you will find a certain amount of style that will appeal to you as being just right.

At \$3.98 we are putting out a special value, made of a good quality, all wool panama, and in the season's best style. Comes in black and colors.

At \$5.50 and \$5.75 are a variety of different models in blacks and colors. These are made in a number of the season's best models.

At \$7.50 are some models that are entirely new and are made from the fine chiffon, panamas and serges.

At \$8.75 and \$10.00 are a number of different models in skirts of the best designs; are made in chiffon, panamas, poplins and serges.

In the Altman Vail we can give you the best values we have ever shown for \$10.00 to \$15.00.

### Regal Shoes

Who can blame the ladies for saving half of their shoe money and especially just a few days previous to Easter?

Regal Shoes always have the price stamped on the shank of each shoe so that you can tell when you have \$3.50 or a \$4.00 Regal shoe. Every penny below that price is a loss to us either in profit or first cost of the shoe.

### Neckwear

Our line of Neckwear is all new and entirely different from other lines. We make a leader of 25c qualities, so that you will find lots of 50c kinds in our 25c line.

For Easter Ribbon buy our No. 300 grade that comes in two widths at 19c and 25c, all pure silk and very heavy. Our leader.

If you are not to have a new coat or suit for Easter buy one of our pretty Morning Dresses to slip on Easter morning; cost but little more than the old styled wrapper and lends a very neat and dressy appearance. New line of Waists in our waist department. We are in hopes to close out all of our Regal Shoes by Easter.
